Thanks, Allison, for the suggestions. I had started breaking down the topics but my document is on the hard drive of my work computer. I will switch the timeline to a word document.

I am thinking of developing a general timeline for the managers and a detailed timeline for the tech team. We will discuss this further during our meeting today.

Hi Jayne--

Thanks for pulling this together as a starting point. Sorry it's taken me a little while to get back to you this week. I found it a difficult to comment in the excel table so added a few comments in red next to certain boxes but have attached a word doc to provide additional general thoughts about the timeline and how we may want to schedule/structure our weekly calls to make sure we stay on track and have manageable bites to chew off each week to augment the preliminary comments I provided by email earlier. If you have questions let me know.

Have a great weekend!
Allison

Hi All,

Attached for your review is the Draft OR CZARA Milestones/Timeline.

I just realized that Jenny is out this week for Ex. 6 - Personal Privacy so I will not be able to find out whether she can help with the coding of the comments.

Cheers,

Jayne
